Imagination Library in Virginia Reaches New Milestones

Williamsburg, Virginia (9/14/2026) – QuickStart Children of Virginia (QCV) is absolutely thrilled to report there are now 100 active Local Program Partners in Virginia with the addition of Northern Virginia Imagination Library serving the City of Alexandria. In another exciting breakthrough, Virginia has just set a record-high enrollment of more than 100,000 children statewide.

QCV Founder Lynda Harrill says, “We have a few more blanks to fill in on Dolly’s map. New programs are actively in the works for Arlington and King George counties. Caroline is the sole remaining name on a to-do list of 16 we made in June 2025. We’re currently working on that one too. There are still a few counties with only partial coverage. The map looks a little different than it did when we first started advocating for the Imagination Library. Dolly would be pleased with our progress. We’re working ever so hard in Virginia to secure her legacy.”

“Early childhood literacy is everybody’s business and every child’s birthright.”
