Imagination Library Goes Live in Charles City County!!!

Williamsburg, Virginia (10/8/2025) – QuickStart Children of Virginia (QCV) is absolutely thrilled to report [Dolly Parton's Imagination Library \(DPIL\) in Charles City County](#) is now online and ready to enroll kids under age five. The [Chickahominy Indian Tribe](#) Childcare & Development Program is the local program partner. Susann Brown, Program Director, is leading the charge with an assist from Jennifer Richardson with Charles City Public Schools. Startup funding was generously provided by AES Corporation. About 250 children under age five are now eligible to be enrolled in the program. Jennifer's grandson was the first.

QCV Founder Lynda Harrill says, “It’s been another journey getting Dolly going in Charles City County. One would think this would get easier after having started close to 60 programs. In any event, it ended up being a huge week for literacy in Charles City County. First the READING with Malcolm Rally on Monday and then the launch of the Imagination Library program on Tuesday. The ‘official’ DPIL kickoff will be on Friday evening, October 24 at the Chickahominy Tribal Office on Lott Cary Road. Everyone is invited to the celebration. And for those who are keeping score, we now have 88 DPIL programs in 85 of 95 counties and 28 of 38 cities. We love filling in the blanks on the Dolly map!”

To enroll a child, go to <https://imaginationlibrary.com/usa/affiliate/VACHARLESCITY> and register online. You can also donate to the program on that web page.

QuickStart Tennis of Central Virginia, Inc. (aka QuickStart Children of Virginia) is an all-volunteer, grassroots Community Tennis Association established in 2009 as a 501(c)(3) charitable organization to promote, develop and grow QuickStart Tennis in Virginia for all beginners, especially underserved and at-risk youth, using the kid-sized QuickStart Tennis format. We leverage the fun of tennis to promote lifelong physical activity, healthy eating/lifestyle habits and a love of reading in the communities we serve. We believe early childhood literacy will solve many socioeconomic problems and produce kids who will succeed in school and in life.
